Description:

It's cloudy over most parts of the Savannah, Bono East, Bono, Ashanti and Ahafo regions. These clouds are already producing rain of avrying intensity. The rain is expected to continue and spread to more areas within these regions.

Instruction:

Stay indoors to protect yourself from heavy rain. Stay away from low-lying areas, riverbanks, and other flood-prone regions. Flash flooding can occur quickly. If you must travel, drive with caution. Roads may be slippery, and visibility can be reduced due to heavy rain. Avoid driving through flooded areas
