Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	24	33
Forest	23	35
Transition	21	36
Northern	24	41

SUMMARY: This afternoon, predominantly sunny conditions with occasional cloud cover will prevail across most places within the southern half of the country. However, from late afternoon hours into the night, thunderstorms or rain of varying intensities are expected over parts of the middle and transition sectors as well as few areas slightly north of the coastline. The northern sector will experience hot and sunny conditions during the afternoon, followed by partly cloudy conditions during the evening.
