Weather Icons

Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	24	34
Forest	24	35
Transition	23	36
Northern	26	41

SUMMARY: Mist or fog patches will develop over high grounds and forest zones during the early morning hours accompanied by partly cloudy conditions in some parts of the country. As the day progresses into the afternoon, sunny weather with occasional cloud cover is expected across most places in the country. However, thunderstorms or rain of varying intensities are anticipated over areas along the coast, middle, transition and northern sectors from the afternoon hours into the night.
