Coast	24	34
Forest	23	35
Transition	22	36
Northern	23	40

**SUMMARY:** Mostly cloudy conditions will prevail across much of the country this morning with mist or fog patches forming over hilly and forest zones during the early hours. As the day advances into the afternoon, sunny weather with periodic cloud cover will dominate over most places in the country. However, from late afternoon hours into the night, thunderstorms or rain of varying intensity are expected over areas within the middle, transition and northern sectors.
