Weather Icons

Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	25	34
Forest	24	35
Transition	23	36
Northern	26	41

SUMMARY: Partly cloudy conditions will dominate most parts of the country this morning, with mist or fog forming over the forest, mountainous, and a few coastal areas. As the day progresses into afternoon, sunny weather will prevail across all sectors, with intermittent cloud cover over southern Ghana. Nevertheless, from late afternoon into the evening, thunderstorms or rain are expected over parts of the middle and transition sectors, especially in the north.
