Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	23	33
Forest	22	35
Transition	22	36
Northern	24	39

SUMMARY: During the early hours of the morning, mostly cloudy weather is expected for most parts of the country amidst misty and foggy conditions over the forest and mountainous regions. However, few cases of thunderstorms or rains are anticipated to affect areas over northern Ghana. As the day progresses, mostly sunny conditions will prevail across the country with the likelihood of thunderstorms or rain over parts of the middle, transition and northern sectors from late afternoon into the evening hours.
