SUMMARY: Mostly cloudy weather will prevail over most areas tonight with cases of thunderstorms or rain affecting areas in the middle, transition and northern sectors. Misty or foggy conditions are likely to be observed along the coast, mountainous and forest zones during the early morning hours. As the day unfolds, sunny weather with periodic cloudiness is expected over most sectors in the country. However, rain and thundery activities are expected over coast, its inland areas middle, transition and northern sectors during the afternoon and evening hours.
