<b>Transition</b>	<b>23</b>	<b>36</b>
<b>Northern</b>	<b>25</b>	<b>39</b>

**SUMMARY:** Mostly cloudy weather will dominate most places within the country this night and the early hours of the morning. However, isolated thunderstorms or rain of varying intensity may affect parts of the coast and northern sectors of the country for the night hours. Early morning mist or fog patches will occur over areas within the coast, mountainous and forest zones amidst rainfall over few areas in the southwestern part of the country. Nevertheless, mostly sunny conditions will be observed in most sectors for the afternoon.
