Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	23	31
Forest	23	33
Transition	23	33
Northern	25	34

SUMMARY: Mostly cloudy conditions will persist over the coastal and parts of the middle sectors, with pockets of slight rain during the night hours, whilst the remainder of the country remains under partly cloudy conditions. A few areas over the extreme northern portions of the country are also likely to experience thunderstorms or rain. Mist or fog patches are expected to form over forest, mountainous and coastal areas during the early morning hours, accompanied by isolated cases of slight rain.
