Weather Icons

Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	23	31
Forest	21	33
Transition	23	33
Northern	24	36

SUMMARY: Variably cloudy weather will dominate in the early hours of the morning across all sectors, amidst misty or foggy conditions over hilly and forest areas which will reduce visibility range. There is the likelihood of some areas to experience intermittent slight rain along the coast and parts of the forest belt. The day is expected to progress with sunny intervals with possibility of thunderstorms or rain from afternoon into the evening hours over portions of the coastal, middle, transition and northern sectors.
