Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	23	32
Forest	22	33
Transition	20	35
Northern	24	37

SUMMARY: This morning, mostly cloudy conditions will dominate over most areas within the country with mist and fog patches forming over the coast, forest and hilly areas in the early hours. However, few places within the coastal sector are expected to experience slight to moderate rains or thunderstorms. In the course of the day sunny weather with occasional cloudiness will prevail across the country paving way for thunderstorms with rain over the coastline and the inland areas of the country from the afternoon into the evening.
