Transition	22	34
Northern	24	35

SUMMARY: The weather across all sectors of the country this morning is expected to be mostly cloudy with few cases of slight rain along the coast. The forest and mountainous areas will experience mist or fog patches conditions which will reduce visibility in the early hours of the morning. As the day progresses, sunny intervals will dominate most places with the likelihood of thunderstorms or slight to moderate rain over the coast, middle, transition and northern sectors from afternoon into the evening hours.
