Coast	21	26
Forest	22	27
Transition	22	27
Northern	23	29

SUMMARY: Cloudy weather will persist over most parts of the country this evening with the likelihood of slight rain along the coast and nearby environs. Thunderstorms or rain are expected for some areas within the middle, transition and northern sectors this evening into the night. However, mist or fog patches are expected to form and reduce visibility over parts of the coastal, forest and mountainous areas early tomorrow morning.
