Coast	23	26
Forest	22	27
Transition	22	27
Northern	25	29

SUMMARY: Cloudy conditions will persist over southern Ghana from this evening into the night, while northern Ghana experiences partly cloudy skies. However, isolated thunderstorms or rain are likely over parts of the northern, transition, and a few areas within the middle sectors this evening, and during the night. Early Wednesday morning, mostly cloudy weather will prevail over most places, with mist or fog patches expected to form over coastal, forest, and mountainous areas.
