Mon	S/SW 05 KT MAX 20 KT	(1.1 – 1.6) m	(0.37 – 1.62) m	E/NE (0.29 – 1.13) m/s	Mostly Cloudy / Sunny Breaks	

WEATHER SUMMARY

Generally cloudy weather conditions are expected to dominate the country's maritime space over the weekend, with brief periods of sunshine in the afternoon. However, there is a 30-40% likelihood of isolated slight rainfall, with moderate winds along the coastal areas, particularly the eastern coast, during the weekend. The state of the sea is expected to remain rough throughout the forecast period.
