Coast	22	28
Forest	21	31
Transition	22	30
Northern	24	34

SUMMARY: This afternoon alternation between clouds and sun will be experienced across most parts of the country. Drizzle or slight rain is likely over parts of the inland areas of the coast. However, thunderstorms or rain may affect portions of the middle, transition and northern sectors late afternoon into the evening hours.

NB: *Relatively cool night and early morning temperatures are expected across the country.*
