Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	23	29
Forest	22	30
Transition	22	31
Northern	23	32

SUMMARY: Most areas will remain cloudy this afternoon, with brief spells of sunshine along the coast. Some areas within the coastal, middle and transition sectors may experience slight rain or drizzle. The northern sector is expected to experience *scattered thunderstorms or rain* from this afternoon into the evening.

NB: *Relatively cool night and early morning temperatures are expected across the country.*
