Weather Icons					
Rain	Wind	Dust	Fog	Hail	Mist

Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	22	30
Forest	22	30
Transition	22	32
Northern	24	33

SUMMARY: This evening, mostly cloudy weather is expected across the country with a few places likely to experience rain with occasional thunder. Also, some areas within the transition and northern sectors are anticipated to experience thunderstorms or rain from this night into the morning hours. Mist or fog patches will form over the mountainous and forest areas during the early morning hours, potentially reducing visibility over these places.

NB: *Relatively cool night and early morning temperatures are expected across the country.*
