

Weather Warning: A Moderate to Heavy Rainstorm expected over the Northern Sector

Urgency: Expected

Severity: Severe

Certainty: Observed

Issued:

Fri 21 Aug 2026
22:54

Effective:

Fri 21 Aug 2026
22:54

Onset:

Fri 21 Aug 2026
23:30

Expires:

Sat 22 Aug 2026
08:30

Area:

Upper East, Northern East,
Northern, Upper West, Savannah

Description:

A moderate to heavy rainstorm is currently moving westward across the northern half of Benin and into Togo, with the bulk of the storm activity concentrated over Burkina Faso. The system is expected to continue its westward movement, initially affecting the Upper East, North East and Northern Regions before extending to the Upper West and Savannah Regions. Moderate to heavy thunderstorms and rain are expected to affect the aforementioned areas. Gusty winds are likely to accompany the rainstorm.

Instruction:

Residents are advised to take necessary precautions during the storm. Seek shelter during heavy rain and lightning, avoid open areas and isolated trees, and exercise caution while driving due to poor visibility and slippery roads. Stay updated with official information from the Ghana Meteorological Agency. In an emergency, contact NADMO on 0302 964 884 / 0291 913 077 or dial 112.
