

Weather Warning Update: Thunder and Rain Clouds over the Transition Belt

Urgency: Immediate

Severity: Moderate

Certainty: Observed

Issued:

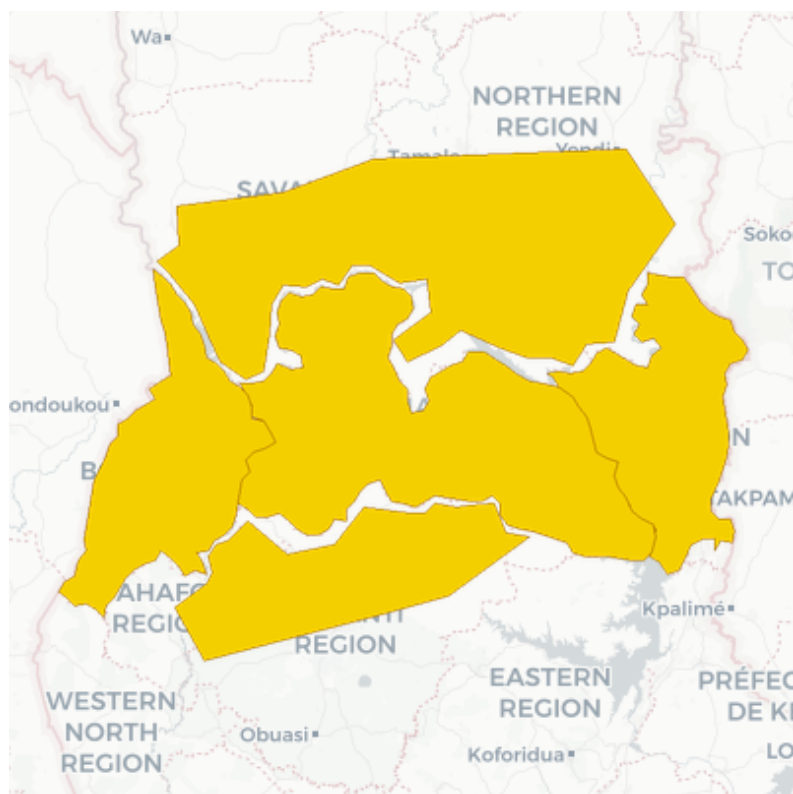

Sat 22 Aug 2026
06:19

Effective:

Sat 22 Aug 2026
06:19

Expires:

Sat 22 Aug 2026
10:55

Area:

Oti, Bono East, Bono, Southern portions of the Northern and Savannah, Portions of Ashanti region

Description:

The rainstorm predicted to affect the northern sector has triggered thunder and rain clouds over the transition belt. It is expected that places in Oti, Bono East and Bono regions will experience thunderstorms and rain of varying intensities this morning. Portions of the northern and middle sectors are likely going to be affected as well.

Instruction:

Residents are advised to take necessary precautions during the storm. Seek shelter during heavy rain and lightning, avoid open areas and isolated trees, and exercise caution while driving due to poor visibility and slippery roads. Stay updated with official information from the Ghana Meteorological Agency. In an emergency, contact NADMO on 0302 964 884 / 0291 913 077 or dial 112.
