SUMMARY: Partly to mostly cloudy conditions will prevail across the country from this evening into the night, with thunderstorms or rain expected over parts of the transition and northern sectors this evening. A few areas in the middle sector may experience slight rain or drizzle. Early Monday morning, mist or fog patches will form over parts of the coast, forested and mountainous areas, reducing visibility, with a chance of slight rain or drizzle along the coast.

NB: *Relatively cool night and early morning temperatures are expected across the country.*
