SUMMARY: This evening, parts of the *Oti, Volta, Eastern, Ashanti, Bono, Bono and Savannah Regions* may experience slight to moderate rain, while mostly cloudy conditions will dominate other places through the night. Parts of northern Ghana are likely to experience thunderstorms or rain tonight into tomorrow morning. Mist or fog may develop along the coast and over mountainous and forested areas early tomorrow morning, reducing visibility, with slight rain also possible in the morning.

NB: *Relatively cool night and early morning temperatures are expected across the country.*
