18HOUR FORECAST FOR GHANA VALID FROM 6 AM, 18/09/2026

SUMMARY: Mostly cloudy weather will prevail across most parts of the country this morning, with intervals of sunshine breaking through the clouds in some areas as the day progresses. Misty conditions may develop over a few places during the early hours, while slight to moderate rain with or without thunderstorms are likely over parts of the country. However, later in the day thunderstorms and rain are expected to affect some areas, particularly across the middle, transition and northern sectors.
