SUMMARY: Partly to mostly cloudy conditions will prevail across the country tonight, with thunderstorms or rain possible in a few areas. During the early hours of the morning, mist and fog patches will form over parts of the coastal, forest and mountainous zones. From mid-morning into the afternoon, a mix of sunshine and cloud cover is expected, with more sunshine during the afternoon. Later in the day, thunderstorms and rain are expected over some parts of the country, particularly across the transition and northern sectors.
