⚠ Weather Warning: Thunderstorms Observed over Northern Ghana

Urgency: Immediate **Severity:** Moderate
Certainty: Observed

Issued:	Effective:	Expires:
Tue 03 Nov 2026 15:41	Tue 03 Nov 2026 15:41	Tue 03 Nov 2026 19:00

Area:
Upper West, Upper East, Northern East, Northern, Sawla-Tuna-Kalba, North Gonja

Description:
Localised thunder and rain bearing clouds observed over Northern Ghana have developed separately from the systems over the south. The clouds are currently inducing cloudy conditions over portions of the Northern sector with possibility of producing thunderstorms with rain of varying intensities over parts of the Northern half of the country this afternoon and into the evening.

Instruction:

Avoid taking shelter under trees and weak structures. Motorists should reduce speed, use headlights, and avoid crossing flooded roads or low-lying bridges. Those in flood-prone or riverside communities, particularly near Dambai and along the Oti River, should stay alert for further updates. Stay updated with official information from the Ghana Meteorological Agency. In an emergency, contact NADMO on 0302 964 884 / 0291 913 077or dial 112
