Transition	21	37
Northern	20	37

SUMMARY: This afternoon, southern Ghana will experience predominantly sunny weather with a chance of thunderstorms or rain affecting parts of the coastal and middle sectors from the afternoon into the evening. Meanwhile, the northern and transition sectors will remain under dry and hazy conditions of varying intensities. Visibility throughout the country will range from **4000 meters** to **9000 meters**.

NB: Caution should be taken when handling naked fires to prevent any form of fire outbreak due to the dryness within the country.
