

24-HOUR FORECAST FOR GHANA

VALID FROM 12PM, 05/03/2025

SUMMARY: This afternoon, mostly cloudy conditions with breaks of sunshine will dominate southern Ghana. Localized thunderstorms and rain will prevail over portions of the coastal, middle, transition and western parts of the northern sectors of the country from this afternoon to the evening hours. However, the eastern portions of the northern half will experience slightly hazy conditions throughout the forecast period.
