

24-HOUR FORECAST FOR GHANA

VALID FROM 12PM, 10/03/2025

SUMMARY: This afternoon, sunny weather conditions with periodic cloudiness will prevail across all sectors of the country. Chances of localized thunderstorms with or without rain are anticipated over places in the middle, transition and western portions of the northern sectors from late afternoon into the evening hours. However, the northeastern portions of the country will experience slightly hazy conditions throughout the forecast period.
