GMet Forecast Office

24-HOUR FORECAST FOR GHANA VALID FROM 6AM TODAY

SUMMARY: Early this morning, misty conditions are expected over forested and mountainous areas. However, thunderstorms accompanied by rain are likely in coastal and some inland areas during the morning and afternoon. Later in the day, thunderstorms with or without rain are anticipated in parts of the middle and transition zones from late afternoon into the evening, with a few areas in the north also likely to be affected during the evening hours.
