GMet Forecast Office

24-HOUR FORECAST FOR GHANA **VALID FROM 6AM TODAY**

SUMMARY: Mostly cloudy weather is expected to dominate most places within the country this morning with mist or fog patches forming along the coastal, mountainous, and forested areas in the early hours. As the day progresses, sunny weather with occasional cloud development will prevail across all sectors of the country. However, few areas along the coastal, middle, transition and northern sectors are expected to be affected by thunderstorms with or without rain from late afternoon into the evening hours.
