GMet Forecast Office

**24-HOUR FORECAST FOR GHANA**  
**VALID FROM 6AM TODAY**

**SUMMARY:** The early hours of this morning will be dominated by mostly cloudy weather with misty or foggy conditions reducing visibility over the coastal, mountainous, and forested areas. However, there are chances of slight to moderate rains along the coast, inland areas and parts of the northern sector. As the day advances, partly cloudy conditions will prevail across all sectors with the possibility of thunderstorms or rain affecting parts of the north, transition, middle and coastal sectors later in the day into evening.
