Gmet Forecast Office

24-HOUR FORECAST FOR GHANA VALID FROM 12PM, 15/07/2025

SUMMARY: The southern half of the country is expected to experience mostly sunny conditions with occasional cloud cover this afternoon. Slight rain or drizzle is anticipated for some mountainous and forest areas this afternoon. **However, a weak rainstorm observed over northern Benin is expected to drift westwards and induce cloudiness over parts of the northern sector. The cloudiness is expected to produce thunderstorms or rain over these areas.**

NB: Cool temperatures will be experienced across the country during the night and early morning hours.
