Rain	Wind	Dust	Hail	Mist

Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	22	28
Forest	21	29
Transition	21	30
Northern	23	31

SUMMARY: Variably cloudy conditions will dominate most parts of the country this morning with mist and fog patches forming over coastal, mountainous and forest areas during the early hours. As the day progresses, sunny conditions with occasional cloud cover will prevail. However, from afternoon into the night, thunderstorms and rain of varying intensities are expected to affect parts of the northern, transition and middle sectors.

NB: Cold early morning and late evening temperatures are expected over the entire country.
