WEATHER SUMMARY

Mostly cloudy weather conditions are expected over the maritime areas of our country throughout the weekend. There is a 40-60% chance of light rain and drizzle along the coastline during the weekend, and in the western offshore areas on Saturday and Monday. However, the afternoons will see brief periods of sunshine, and the nights will have occasional clear skies.

NB: Dangerous sea state is expected on Saturday midnight till morning hours. On Sunday and Monday, it is expected to fall back to the rough state with strong winds throughout.
