

24-HOUR FORECAST FOR GHANA VALID FROM 12PM, 13/08/2025

SUMMARY: This afternoon mostly cloudy conditions will prevail across the country, accompanied by sunny spells. However, a few areas within southern Ghana will experience slight rain or drizzle, while portions of the northern sector are expected to be affected by thunderstorms or rain from this afternoon into the evening.

NB: Cool temperatures will be experienced across the country during the night and early morning hours.
