Coast	21	27
Forest	21	29
Transition	21	28
Northern	22	30

SUMMARY: Variably cloudy weather with occasional sunshine is anticipated over most places within the country. Some areas within the southern half are likely to experience slight rain or drizzle this afternoon. However, thunderstorms or rain are expected for parts of the northern sector from late afternoon into the evening hours.

NB: Cool temperatures will be experienced across the country during the night and early morning hours.
