SUMMARY: Mist and fog patches are expected this morning over the coastal, forest and mountainous zones amidst mostly cloudy weather. From mid-morning into the afternoon, a mix of clouds with breaks of sunshine will prevail across the country with slight rain or drizzle anticipated over few areas within southern Ghana. However, thunderstorms or rain are likely to affect parts of the northern and transition sectors from the afternoon into the evening.

NB: Cold early morning and late evening temperatures are expected over the entire country.
