SUMMARY: Mist and fog patches are expected this morning over the coastal, forest and mountainous zones accompanied by mostly cloudy conditions. Slight rain or drizzle are likely to affect a few coastal and in-land areas. As the day progresses into the afternoon, sunny conditions with occasional cloud cover will prevail. However, from the afternoon into the evening, the middle, transition and northern sectors are likely to experience thunderstorms or rain.

NB: Cool early morning and late evening temperatures are expected over the entire country.
