

24-HOUR FORECAST FOR GHANA VALID FROM 12PM, 04/09/2025

SUMMARY: Cloudy weather condition with breaks of sunshine is expected for most places over the southern half of the country. There is a chance of slight rain or drizzle over some areas in the southern half from this afternoon into the evening hours. However, cloudiness is expected to persist for the northern half of the country. Parts of the transition and the northern sector are anticipated to experience thunderstorms or rain from this afternoon into the evening.

NB: Cool temperatures will be experienced across the country during the night and early morning hours.
