Description:

Convective clouds in the upper east region are expected to produce thunder with varying intensity of rain within the region.

Instruction:

Avoid going outside unless absolutely necessary. Stay indoors to protect yourself from heavy rain, thunder, and strong winds. Stay away from low-lying areas, riverbanks, and other flood-prone regions. Flash flooding can occur quickly. If you must travel, drive with caution. Roads may be slippery, and visibility can be reduced due to heavy rain. Avoid driving through flooded areas
