

 Weather Alert: Morning Rains over Coastal Ghana

 **Urgency:** Immediate

 **Severity:** Severe

 **Certainty:** Likely

Issued:
Wed 15 Oct 2025
05:54

Effective:
Wed 15 Oct 2025
06:00

Onset:
Wed 15 Oct 2025
06:00

Expires:
Wed 15 Oct 2025
10:00

Area:
Greater Accra, Central, Western,
Eastern region

Description:
A rainstorm has engulfed the eastern coast of Ghana and is producing rain of varying intensity within the Volta and Greater Accra regions. The storm is expected to spread to more areas within the regions and to parts of the Eastern, Central and Western regions.

Instruction:
During the thunderstorm, stay indoors and away from windows, unplug electrical appliances to prevent damage from lightning strikes, and avoid using corded phones or

electrical devices connected to outlets. If caught outdoors, seek substantial shelter immediately. Drivers should exercise extreme caution by reducing speed, using headlights for visibility, and avoiding flooded sections of roadway
