Coast	24	29
Forest	22	30
Transition	21	31
Northern	23	32

SUMMARY: Sunny conditions with occasional cloudiness will prevail across the country this afternoon. Later in the day, some areas within the southern half, especially the forest and mountainous areas as well as the northern portions are likely to experience thunderstorms or rain of varying intensities. Mostly cloudy conditions are expected over most parts of the country during the evening hours.
