1 PM

**Area:**

Yendi, Gushegu, Savelugu,
Kumbungu, Tamale, Karaga, Salaga,
Kpalbe, Buipe, Daboya, Larabanga,
Damongo, Sawla

Description:

A weak rainstorm around the eastern part of the northern region is expected to spread to cover more areas within the region and parts of the Savanna region later this morning. Rain of varying intensity is anticipated within these regions.

Instruction:

If you live in or need to travel through areas known for flooding, plan alternative routes and avoid these areas if possible. If you must drive, reduce your speed, use headlights,

and maintain a safe distance from other vehicles. Be cautious of slippery roads and reduced visibility.
