SUMMARY: Mist or fog patches are likely to develop over areas along the coast, mountainous and forest zones during the early morning hours. There is also a likelihood of rain expected along the coast and inland areas this morning. As the day advances, sunny conditions will dominate across parts of the country. However, from late afternoon into the evening, cases of thunderstorms or rain are anticipated over parts of the middle, (Eastern, Ashanti, Western North, Volta, Ahafo regions), transition (Bono East, Brong Ahafo, Oti regions) and northern sectors of the country.
