Coast	22	31
Forest	22	32
Transition	21	32
Northern	21	37

SUMMARY: Sunny weather is expected to dominate most sectors within the country this afternoon, with occasional cloudiness for some areas in southern Ghana. However, there is the possibility of localised thunderstorms or rain affecting portions along the coastline, slightly north of the coastline, as well as parts of the middle, transition and northern sectors during the afternoon and evening hours. The extreme northern portion of the country is expected to experience fairly dry conditions.
