Forest	22	32
Transition	21	32
Northern	21	37

SUMMARY: Partly cloudy weather is expected to prevail across all sectors of the country this evening into the night. However, cases of localised thunderstorms or rain is expected over some parts of southern Ghana, places such as **Adubeasi, Ofoase, Abenase, Broni, Badu, Berekum, Chiraa**, and their surroundings are expected to be affected. Early tomorrow morning, mist and fog patches are likely to form over the forest and mountainous areas which may affect visibility.
