

Be Prepared: Rain over East Coast Spreading to the West

 **Urgency:** Immediate

 **Severity:** Severe

 **Certainty:** Likely

Issued:	Effective:	Onset:
Thu 13 Nov 2025 12:31	Thu 13 Nov 2025 13:00	Thu 13 Nov 2025 13:00
	Expires:	
	Thu 13 Nov 2025 17:00	

Area:
Central and Western regions

Description:
The rain and thunder predicted earlier is currently producing rain of varying intensity within th Greater Accra region. The storm is expected to continue its westward movement to affect areas within the Central and Western regions. Moderate to heavy rain with thunder and occasional windy conditions are anticipated within the regions.

Instruction:

During the thunderstorm, stay indoors and away from windows, unplug electrical appliances to prevent damage from lightning strikes, and avoid using corded phones or electrical devices connected to outlets. If caught outdoors, seek substantial shelter immediately. Drivers should exercise extreme caution by reducing speed, using headlights for visibility, and avoiding flooded sections of roadway.
