Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	24	32
Forest	22	33
Transition	22	35
Northern	19	38

SUMMARY: Sunny conditions with occasional cloudiness will persist over southern Ghana this afternoon, while the northern sector remains fairly dry with slightly hazy conditions. As the day progresses from late afternoon into the evening, rain-bearing clouds are expected to develop and produce localised thunderstorms or rain over a few places along the coast, slightly inland, and within the middle sector.

NB: Relatively cool night temperatures are expected over the upper regions

SIGNED: Central Analysis and Forecasting Office (CAFO)
