Forest	21	33
Transition	20	36
Northern	20	38

**SUMMARY:** Mostly cloudy weather will continue to dominate most areas in the country tonight. However, **localised thunderstorms or rain of varying intensities** are expected to affect places within the Western North, Western, Ashanti, Eastern, Central, Volta, Oti, Bono East, Bono and Northern regions. Early tomorrow morning, mist or fog patches will form to reduce visibility over southern Ghana amidst mostly cloudy conditions.

**NB:** Relatively cool night and early morning temperatures are expected over the upper regions.
