| Sector | Minimum Temperature (°C) | Maximum Temperature (°C) |
|------------|--------------------------|--------------------------|
| Coast | 23 | 32 |
| Forest | 21 | 33 |
| Transition | 20 | 34 |
| Northern | 20 | 34 |

SUMMARY: The early hours of this afternoon will be dominated by sunny conditions across all sectors. From mid-afternoon into the evening hours, localised thundery showers are expected to affect some areas within southern Ghana. The northern sector will experience fairly dry and slightly hazy weather throughout the forecast period.

NB: Relatively cool night and early morning temperatures are expected over the upper regions
